

Experience a whole lot of living where life began

All humanity shares an African heritage, and this site is an area of universal value. As the Gauteng's only World Heritage Site, and premium tourism destination there is no excuse not to visit for an experience that will encompass over 400 diverse tourism offerings, across eight visitor experience categories from Stones and Bones which encompasses Maropeng Visitor Centre and a boutique hotel, Sterkfontein Caves, adrenaline activities, wildlife-wonders, a variety of dining options and surplus of culture and craft.
